

Family Support Institute

THANKS TO YOU the Family Support Institute's 2nd Annual Walk-Run-Roll was a tremendous success!

On Sunday, June 27, 2010 about thirty FSI volunteer Resource Parents, friends and family members came out on a cloudy/rainy day to walk, run or roll their way to raise funds for FSI and enjoy a family picnic at beautiful Town Centre Park (Lafarge Lake) in Coquitlam.

So far **\$1,385** has been raised and the donations are still coming in! People have found it very easy to use the "DONATE NOW" button to pledge. A special thank you to Cydney Wong (daughter of Nellie, Resource Parent Burnaby) for raising an amazing \$1,225.

Special thanks to YOU for your pledges! Also, thanks to Angela Clancy, Shirley Paterson and Nancy Chan (FSI staff) for organizing this FUNdraising event; Tom and John for cooking all those hotdogs and hamburgers (there was a friendly competition on whose burgers were better!); and for Nicole, Daryl, Jacque, Liam and Aleesa for volunteering with registration, setup and cleanup.

The Family Support Institute (FSI) is a province-wide organization whose purpose is to strengthen and support families faced with the extraordinary circumstances that come with having a family member who has a disability. We believe that families are the best resource available to support one another. Directed by families, FSI provides information, training and province-wide networking to assist families and their communities to build upon and share their strengths.

If you know of family members, friends or colleagues who might be interested in learning about the **Family Support Institute**, or you require more information please contact our office or visit our website at www.familysupportbc.com.

A heartfelt thank you for your support we could not have done it without YOU!
