Mohawk-Husky Fundraising for the Family Support Institute

The **Family Support Institute** has been working on a new fundraising endeavor for the past year with Mohawk-Husky Oil. We have been fortunate enough to be given cards that we are allowed to distribute to our members, who in turn can swipe this card when they fuel up at these gas stations. **FSI** in turn receives 2% of all purchases made as a source of revenue. We are extremely pleased that Husky-Mohawk has invited us to join their program, and we are also excited to invite you to support **FSI** in this way too. It doesn't cost you anything except the regular costs that you would spend on gas, and 2% of that money spent will go to **FSI** to support our services and supports. We would like to involve you in our new fundraising journey.

If you would like to have a Mohawk-Husky savings card sent to you please contact the **FSI** office at (604) 540-8374 or email at fsi@fsibc.com.

Thanks for your ongoing generosity and support!
